Cool Japan Fund has transferred its shares in Dream Vision Co., Ltd.

Cool Japan Fund Inc. (CJF) announces that it has transferred all of its shares of Dream Vision Co., Ltd. (DVC) to DVC.

CJF invested in DVC, which was established in Myanmar in March 2018, to increase the distribution of Japanese content in Myanmar. Following CJF's investment, DVC broadcast a range of Japanese dramas, animation and other content and also provided opportunities for Japanese companies to advertise and promote their products and services, helping expand demand for Japanese products and services in Myanmar.

Based on discussions with other shareholders etc. of DVC regarding the activities and contributions to make the people of Myanmar more interested in and friendly towards Japan, to strengthen ties between Japan and Myanmar, and to develop demand for Japanese products and services, and regarding the changes in the domestic situation in Myanmar since February 2021, CJF has transferred all of its shares to DVC. Eventually, on June 24, 2025, the liquidation and distribution of the Japan-based holding company, which had received the funds related to the share transfer, was completed.
